He also distributed a copy of the letter he will send to several accounting firms requesting bids for Northfield's annual audit.

**POLICE REPORT**

Police Chief Richard Frank briefed the council on recent activities throughout the city and reported that there were five citations issued this month and no criminal activity.

**OLD BUSINESS**

**US 42/I-264 INTERCHANGE**

Mayor Chappell presented a PowerPoint presentation prepared by the Kentucky Transportation Cabinet which outlined the four interchange proposals that will be sent to the Federal Highway Department for consideration. Included with each proposal was the approximate cost and traffic analysis for the a.m. peak period and the p.m. peak period.

After studying each of these proposals, Mayor Chappell is of the opinion that the Diverging Diamond Interchange would be the best plan for this area. He stated that the "Right-in/Right-out" option at Northfield's main entrance and KY 22 would be extremely detrimental to Northfield and stressed the need to stay in touch with local and state representatives regarding this matter.

The Kentucky Transportation Cabinet's Noise Policy was discussed. KYTC officials have determined that a noise barrier wall along the I-71 ramp area would be too expensive to install, and they are now looking into types and costs of plantings.

**ADJOURN**

There being no further business, the meeting was adjourned at 8:45 p.m

The next regular meeting of the Northfield City Council will be Monday, August 26, 2013.
